Declaration of conformity

Certificate No: CE-520-00 Issue: 1

(Certificates repealed: CE-007 Issue: 1 and CE-520-01-00)

We,

AGD Systèmes SARL

1 rue Denys Dodart
Parc d'Activité de Beaulieu-Est
18000 Bourges
FRANCE

as manufacturer hereby declare that the following product(s) :

Equipment Model Type(s): **AGD520-3xx (230V) and AGD520-5xx (12-24V)**

Equipment Description: **Vehicles loop inductive detectors**

conform with the provisions of the following EC Directive(s), including all amendments, and with national legislation implementing this / these directive(s):

1999/5/EC relating to Radio & Telecommunication Terminal Equipment, including 2004/108/EC relating to Electromagnetic Compatibility and 2006/95/EC relating to Low Voltage Directive (safety) with no voltage limit applying.

Harmonized standards applied:

- EN 330 330-2 V1.5.1
- EN 301 489-3 V1.4.1 using the common technical requirements of EN301 489-1 V1.9.1
- EN 60950-1:2006/A1:2010

Restrictions of use: Not recommended for use between 2,000 m and 3,000 m altitude and prohibited use beyond 3,000 m for an input voltage upper than 150 Vac (relay and/or supply voltage).

and where specified below, the product(s) also conform with the National and / or International standards and specifications shown.

Signed:

 PERRONNET
