Our Reference: File E158873, Volume X13-A6046 Order: 13380289
Project: 4789512703
Project Scope: [UL 62368-1] Camera Housing, SHB-9000H, Basic + Outdoor

Dear Mr. Jeisoon Kang:

UL has completed the investigation under the above project and confirmed compliance of your product(s) with UL requirements. We appreciate that you have a choice of certification providers and thank you for choosing UL.

Before products bearing the UL Mark can leave the manufacturing location, an Initial Production Inspection (IPI) must be successfully completed by a UL representative at the manufacturing location(s) noted below. You are required to send a copy of this letter to each of these manufacturing location(s).

The IPI is a check on the means that the manufacturer has in place to produce a product in accordance with applicable requirements. **A MANUFACTURER MAY NOT SHIP PRODUCTS WITH THE UL MARK UNTIL THE IPI HAS BEEN SUCCESSFULLY COMPLETED.** Instructions for conducting the IPI will be sent to the UL inspection center(s) serving the manufacturing location(s). The UL inspection center will contact the manufacturing location to arrange the IPI, or you may contact the UL inspection center to discuss the scheduling of the IPI.

The Follow-Up Services Procedure covering your product(s) will typically be provided by UL within 10 business days. Any information and documentation provided to you involving the UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

Products that bear the UL Mark must be identical to those submitted to UL for evaluation and certification and must comply with the Follow-Up Services Procedure covering your product(s). Additional requirements related to the responsibilities of the Applicant and Manufacturer can be found under **Additional Resources** at <https://www.ul.com/fus>.

A UL certification is a valuable marketing tool meaning your product or company has successfully met stringent requirements. We encourage you to use your UL Mark and certification in your marketing activities. You can find information on how to accurately promote your UL certification at <https://www.ul.com/marketing>.

If you have any questions, please contact me or any of our customer service representatives. And, congratulations again on your achievement!
