## 2-way wireless outdoor siren LoNa

---

This 2-way wireless outdoor siren, using the latest LoNa technology, completes your ZeroWire or Xgen wireless intrusion system. This siren installs easily because of its wireless communication, power and learn-mode technology. It also provides the required safety and security compliant with the EN50131-regulations. The custom lithium battery pack (BS7201-N) typically delivers a 3-year lifetime (based on usage).

### Details

---

- Using LoNa technology
- Easy learn-in procedure: LED confirmation of sent and received messages
- Pry-off and opening tamper protection
- Complies with EN50131
- Full wireless solution: communication and power
- 3 years of battery life (based on usage)
