EC-CERTIFICATE OF CONFORMITY

0832 - CPD - 0964

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

A45E-2 Analogue addressable single input module for use in fire detection and alarm systems

(For conditions of use for the product see the attached appendix)

placed on the market by

GE Security

Kelvinstraat 7, NL-6003DH, Weert, The Netherlands

and produced in the factory

GE Security (Africa) trading as Ziton

Ziton House, 555 Voortrekker Road, Maitland, 7405, South Africa

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan. The initial type-testing for the relevant characteristics of the product, the initial inspection and continuous surveillance of the factory and factory production control has been performed under the control of the approved body BRE Certification Limited.

This certificate attests that all provisions concerning the attestation of conformity (Level 1) and the performances described in Annex ZA of the standard(s)

EN 54 - 18: 2005 - Fire detection and fire alarm systems - Input/output devices

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 3/4/2009 and remains valid as long as the product continues to be manufactured and the conditions laid down in the harmonised technical specification referenced or the manufacturing conditions in the factory or the FPC itself are not modified significantly and the required annual FPC assessments are maintained.
