Copyright © 2011-2021 ZKTeco

Supported by latest Atlas version
(versión 2.6)

QR600-HK

QR600-H

QR600-VK

QR600-V

How to connect

At Atlas, QR600 dynamic readers are always connected **by** Wiegand.

Because the RS485 protocol of Atlas is not the same as the Device.

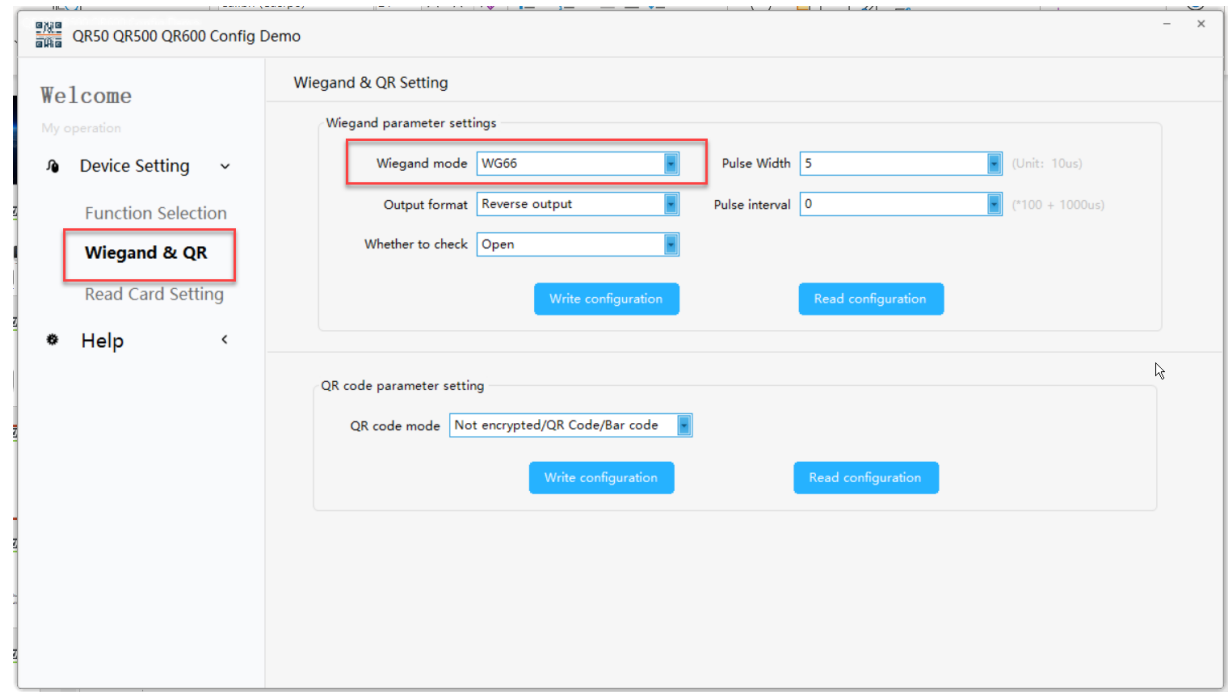

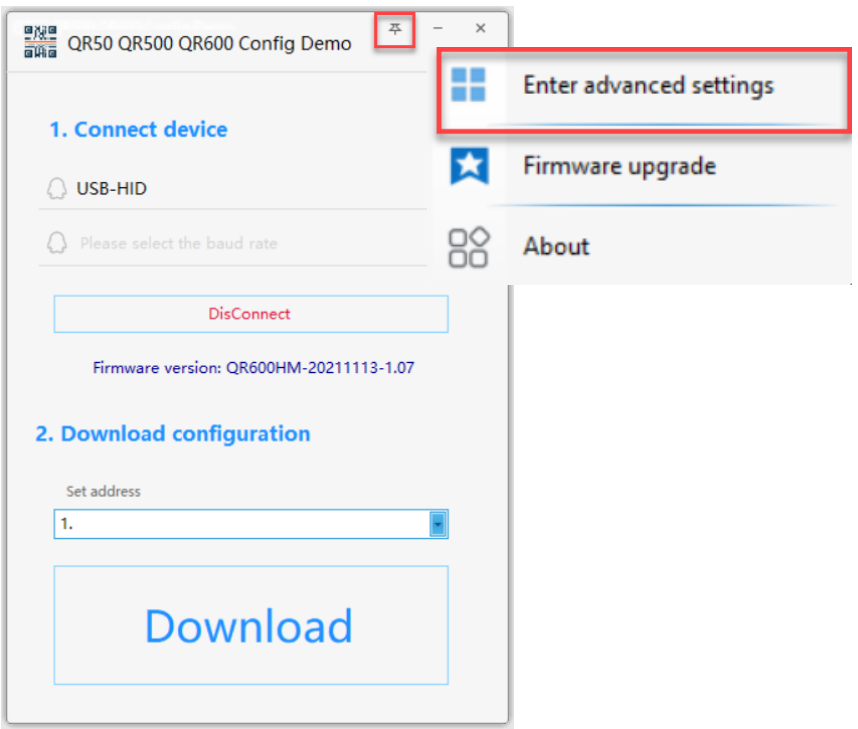

Red: VCC
Black: GND
White: WD1
Green: WD0
